THE ELIZABETHAN

Elizabethtown High School

Elizabethtown, Pennsylvania

Our Alma Mater

Faithful and true-hearted
Let us boost for our old High.
We'll revere her and defend her,
May her colors proudly fly.
We will stand for her united
When her team is on the field
Her colors streaming
Her faces beaming
So here's a cheer for her
Whom we all love so well.

Honor she has taken
On the track and with the ball.
May she always rank the highest;
May her colors never fall.
We will stand for her united
When her team is on the field.
Her boys the fleetest,
Her girls the sweetest,
So here's a cheer for her
Whom we all love so well.

CHORUS:

Joyous and ever loyal
Let us boost for our old High.
Let every heart sing
Let every voice ring,
There's no time to grieve or sigh,
As ever onward, our course pursuing,
May defeat ne'er our ardor cool,
But, united, we will boost for her
Our old High School.

Preface

• • •

In the autumn of the school year of 1945–46, Elizabethtown High School had, for the first time, the home football games played under the lights of the new athletic field. In addition to taking a renewed interest in high school football games, the townspeople formed the Band Club which at once began to procure money to outfit the newly-organized band with uniforms.

This encouragement by the parents and friends of the enthusiastic students has resulted in a more united community spirit. And so, feeling that the new lights are prominently responsible for this new spirit, The Spotlight theme was chosen by the 1946 Elizabethan staff to represent other highlights of this school year.

In Appreciation

Dedication

• • •

To Miss Erma M. Bell, who has been our class adviser and friend during our junior and senior years, we shall always be grateful. Miss Bell has kindly and unselfishly guided us over many a difficulty during our brief stay at E. H. S.

Therefore, to Miss Bell, in appreciation, we, the Class of Nineteen Hundred Forty-six, dedicate this, the twelfth edition of the Elizabethan.

"Honored They Shall Always Be"

An honor roll containing the names of those Elizabethtown High School graduates who are in the armed forces was proudly dedicated to the High School on May 23, 1945, in a special program.

Seven of the three hundred and sixty-two persons whose names appear on this honor roll have made the supreme sacrifice. The names of these seven persons appear in the star below.

The funds for this honor roll were acquired through a play given by the faculty of the Elizabethtown High School in 1944.

BOARD OF EDUCATION

G. REED ALEXANDER, President **PAUL M. GRUBB, Vice-President**
ALBERT K. GARMAN, Secretary **RALPH HEIN, Treasurer** **JAY RISSER**

Our Public School System is the "Training Camp for Life." We believe that the twelve years which you have spent in the public schools of Elizabethtown have been fruitful years. We hope that they have given you a background for useful service. We trust that you will meet the problems of life with the same determination and courage that you have shown in solving your school problems.

We extend our best wishes to each and every one of you.

BOARD OF EDUCATION

In the Office

TO THE CLASS OF 1946:

You are to be commended for completing your high school course amidst conditions that may have tempted you strongly to discontinue before you had reached the end. You are now facing personal and social problems that for the first time are very real to you. It is the hope of your high school that you will not be found wanting for the successful solution of these perplexities. May real peace and happiness crown your efforts.

T. H. EBERSOLE
Supervising Principal

•

TO THE CLASS OF 1946:

In May of your Junior year, I was called into military service. Seven months later, on December 22, I was honorably discharged and proud to have served, as were more than three hundred other alumni. Returning to my former duties at E. H. S., it was a real pleasure to be with you for the remainder of your Senior year. I congratulated you, not only upon your graduation, but also for your careful preparation of this yearbook — the twelfth edition of the Elizabethan.

WILBUR E. WEAVER
High School Principal

•

TO THE CLASS OF 1946:

You will now come into a partial realization of what life has in store for you. There will be numerous trials which you will have to encounter, but these need not be insurmountable if you but cherish ideals and strive to reach them. Utilize all your means to the development of these ideals. They live in you. Someone has said, "They are like stars; you will not succeed in touching them, but like the seafaring men, you choose them as your guides, and, following them, you reach your destiny."

NORMAN E. DIEHL
Acting Principal

•

MISS HESS, Secretary

In this, her seventh year of service, we find Miss Hess as faithful as ever, typing business letters, delivering messages, supplying tardy slips, issuing employment papers, keeping the activities fund, and doing ever so many other duties.

When Miss Hess was a senior back in 1938 she wanted to attend business college, but when E. H. S. issued a call for help, she rushed to answer. E. H. S. has surely profited by this addition.

CLASS MOTTO—A difficult today; a shining tomorrow

• • •

David Stettler, our class president, takes charge of all class meetings and business affairs. We are certain that he deserves this position. David's capable assistant is Richard Keller, who is our vice-president. Dick is a well-liked fellow, and very co-operative. Our efficient secretary, Arlene Schuldt, keeps an accurate record of all our class meetings, and is active in other class activities as well. Edward Bailey holds the responsible position of treasurer. He has been faithful in reminding us to pay our class dues and also in collecting them. Our class adviser, Miss Bell, has by her helpful guidance and cheerful smile, led us in the past, in the present, and we feel sure that her advice will continue with us in the future.

Class Poem

As we leave thee, Alma Mater
In search of higher spheres,
We'll recall with fondest mem'ries
These joyful high school years.

As we go into the future
To meet the challenge bold,
We'll remember all the teaching
That in these halls were told.

We'll always love thee, Alma Mater,
Thee, always will we praise,
Thou hast laid our life's foundation
To guide us in our ways.

So, in parting, Alma Mater,
It is our hope that we
May always strive to achieve success
And serve humanity.

—DOROTHY MAE SLOTHOWER

Class History

• • •

1942-1943

Remember when we were little Freshmen, and we really were glad to be considered "in high school." We thought we really were somebody when we could say that we had civics instead of history. But we were knocked down a peg or two when we found those Latin tests coming up. This year the Junior Tri-Hi-Y was organized and some of the girls became members. We were certainly kept busy with all our studies and extracurricular activities and when June came around we were all ready to settle down and have a pleasant vacation.

1943-1944

Well, this year we were really Sophomores and finally entering Senior High School. We thought we were quite smart now because we had the privilege to choose our own courses and class officers. Our favorite topic of discussion was Frank Sinatra vs. Bing Crosby but Frankie usually won out. As sophomores we were allowed to join the "Y" clubs and how well we remember those terrible initiations. But in turn we were allowed to take part in their social activities. Near the end of the year our school gave a gym exhibition which everybody considered a big success. With all our final exams over, we breathed a sigh of relief and decided to forget school for the summer.

1944-1945

Here we are, Juniors, and can hardly believe it. Now we really are grown up ? ? Of course, we were allowed to pick our class rings and pins, and we all agreed that they were the neatest ever. As class officers, we elected for president, David Stettler; vice-president, Richard Keller; secretary, Arlene Schuldt; and treasurer, Jean Sipling. We were still swooning over Frank Sinatra but we always recovered in time to take our physics tests. Van Johnson also became popular this year and, as we walked down the halls, we saw his picture decorating many of the girls' lockers. In March we sponsored our class play, "Oh, Kay," a mystery comedy, which we thought was pretty swell. As a climax to our Junior year, we gave our prom in order to bid the Senior Class fond farewell. Our gym really looked sharp decorated like a Pacific island, with Andy Kerner furnishing the music.

1945-1946

After a summer which most of us spent working at various places, we came back to school, happy in the realization that the war was finally over and that we were Seniors at last. For after twelve long, hard years of struggling ? ? (Am I kidding?) we had finally reached our goal and we were "dignified Seniors" at last. We really enjoyed those night football games which were held on our new field, with the band furnishing some extra color. Football season over, we all looked forward to our Senior play, "The Arrival of Kitty," which we presented early in December. Everyone agreed that it was definitely super! Our class officers remained the same with the exception of Arlene Schuldt as secretary and Edward Bailey as treasurer. The "Y" clubs sponsored many activities during the year, one of which was the Valentine Dance to which parents, as well as students, were invited. This was something new, but it appears to have been a big success. After a busy Senior year, filled with many memorable events too numerous to mention, we were finally graduated on May 31.

ATHLETICS

SPOTLIGHTING . . .

OUR NEW ATHLETIC FIELD

This year's outstanding achievement at E. H. S., and one of which we students, as well as our entire community, are most proud, is the acquisition of a fully-equipped new athletic field.

The field, located to the rear of our high school building, is equipped with bleachers to accommodate approximately 2,400 persons. This season a total of more than 6,500 persons were in the bleachers to see our home games.

The Junior class took charge of selling refreshments at the new refreshment stand to the west of the high school building. It was here that our patrons were able to obtain hot dogs, sodas, and candy.

Illuminating the field were eight sets of floodlights, which inspired the theme of the 1946 Elizabethan.

OUR NEW BAND

First row, left to right: Marie Hoover, William Chestnutt, John Wanamaker, Henry Rineer, John Groff, Mr. Klauss, Suzanne Patton, Joanne Messick, Carol Ann Moose, Dean Warfel. **Second row:** Harold Boozer, Bernard Parrett, Gene Myers, Romaine Yurkovic, Marilyn Rohrer, Larry Boyer, Gerry Schroll, Jay Ulrich, Edward Seitz. **Third row:** Dana Trostle, William Seiders, Richard Heisey, Robert Bodman, Harry Guttschall, Jaime Rowley, Arlene Reider, James Martin, Paul Greiner, June Ebersole, James Rutherford. **Fourth row:** Kenneth Reighard, Janice Ellinger, John Eyer, David Newcomer, David Meyers, Robert Emenheiser, Paul Grubb, Peggy Eberly.

The Elizabethtown High School Band, under the direction of Mr. Klauss, is a new addition to our school this year.

The band did a great deal toward making our football games something special with their pep songs and their high stepping on our new athletic field. Stepping out in front was our majorette, Marilyn Rohrer, twirling her baton in that thrilling march time.

The band received much of its support from the Elizabethtown High School Band Club. Composed of parents and friends of the band members, it raised money for instruments and music. The club also helped us get those snappy blue and white uniforms.

We know the band will become greater in the coming years because of the success it has had in this, its first year.

FOOTBALL SQUAD

Football Highlights

• • •

The 1945 football season opened with the E. H. S. Bears playing Columbia on our new field. Columbia scored in the first, third, and fourth periods. Fighting back, E. H. S. made a touchdown in the last quarter, making the final score 7–20.

On September 29, our team traveled to Biglersville. We scored in the third period but missed the extra point. In the fourth period Biglersville rallied and, by scoring a touchdown and making its extra point, won the game with a 6–7 score.

The strong Lititz team visited us on the fifth of October. The Bears held them to one touchdown in the first half but Lititz scored again in both the third and fourth periods. E. H. S. kept fighting, but was unable to score. The game ended with Lititz leading 20–0.

On October 13 the E-town Bears traveled to Red Lion. At the end of the first quarter they led 6–0. E-town made one touchdown in the second quarter to Red Lion's two. Scoring two more touchdowns in the last period, Red Lion won by a score of 30–6.

Elizabethtown High played host to Ephrata on October 19. Ephrata, with a 6-point lead, completed a freak play and scored another touchdown. The Bears struck back and gained seven points. Even though E-town battled fiercely for another touchdown, Ephrata won 13–7.

The last home game of the season was played with Middletown. Its team was held to only seven points in the first half by our stubborn and scrappy eleven. In the last half, Middletown added three more touchdowns to bring the total score to 25–0.

The final game of the season was played against our traditional rival, Patton Trade School, on its field on Saturday afternoon, November 11. In the second quarter, E. H. S. made the first score of the game, putting itself ahead 7–0. The Bears showed their ability and scored again in both the third and fourth periods, winning the game 19–0, thus giving E. H. S. the third successive victory over Patton.

Although our season for 1945 ended with one win and seven defeats, we are proud to say that our team played well and showed good sportsmanship in every game.

Most of us probably do not realize what goes on behind the curtains in producing a good school play. First of all, the director must work long and hard with the cast until they know their lines almost perfectly. Then the scenery must be set up and the stage decorated. And finally, when everything is ready and the auditorium is filled with anxiously waiting people, the curtains open and the play begins.

"Oh, Kay!" was produced during our Junior year under the capable leadership of Miss Miriam Mengel.

The "Arrival of Kitty" is a comedy in three acts. The play was a big success with full house both Thursday and Friday evenings, December 6 and 7. It was in this play that Edward Bailey displayed his ability to portray a feminine character. It took the arrival of Kitty (Jean Grubb) to get things straightened out. The part of the Negro porter was well portrayed by Herbert Young. Much credit for the success of the play goes to Mr. Seiders, the director.

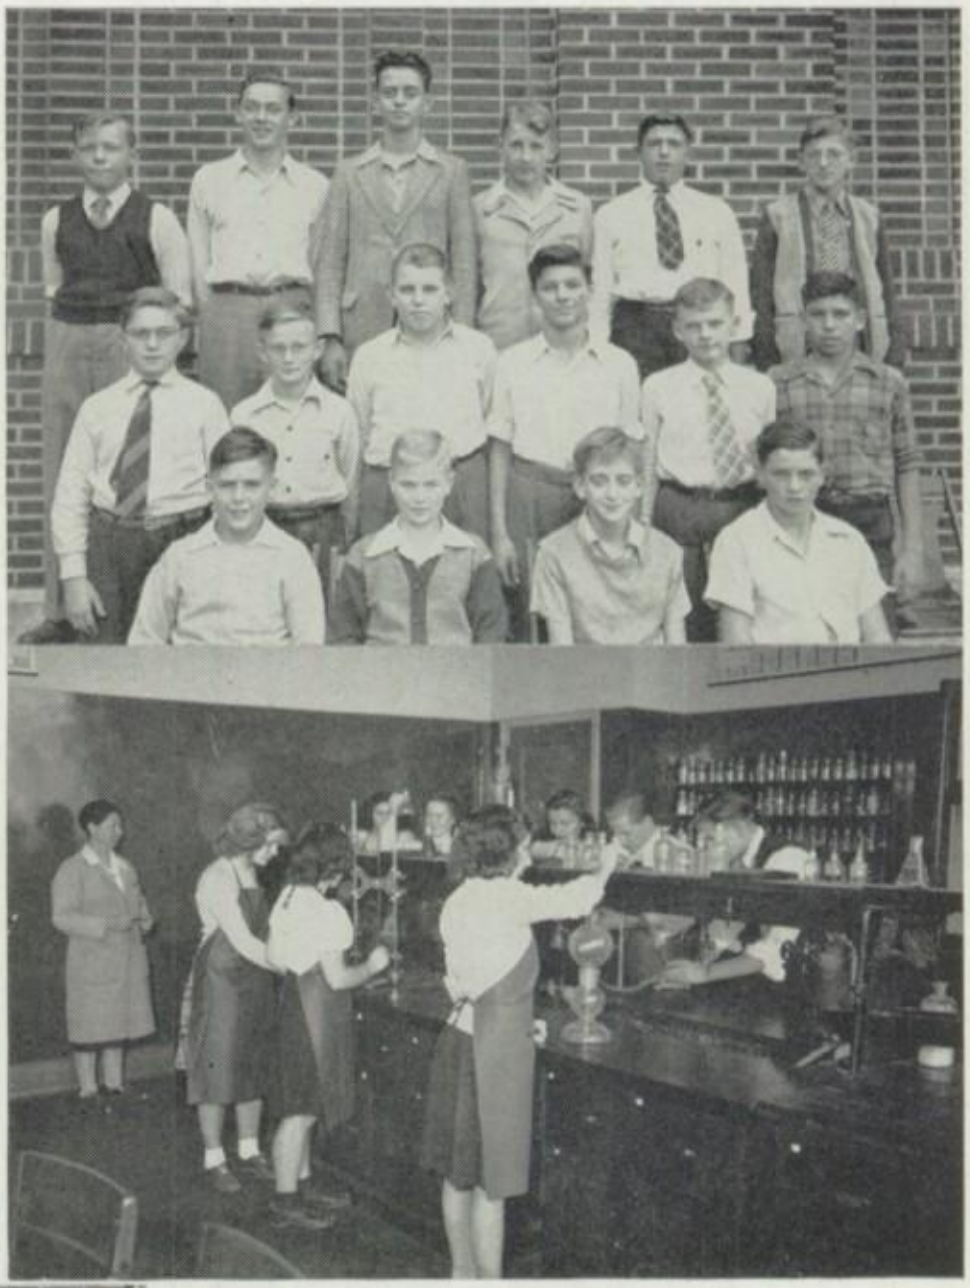
CLUBS

JR. HIGH SCIENCE CLUB

The purpose of the club is to create an interest in the everyday happenings of life, to understand the simple scientific principles controlling our daily activities, and to discourage the idea of taking things for granted by emphasizing experimentation and complete observation. Mr. Eppler is their interested director.



SCIENCE TALENT CLUB

The Science Talent Club meets every other Tuesday for the purpose of developing the scientific aptitude of members and expand their interests in science. The members, participating in the Annual Science Talent Search, are selected for their scientific ability and high academic averages in other subjects. Miss Roe is their capable advisor.

MUSIC APPRECIATION

The Music Appreciation Club is under the supervision of Miss Zimmerman. The purpose is to produce a balanced program for each meeting, during which they enjoy modern, semi-classical, and classical music. They also listen to records, having organized chiefly for enjoyment of music.

THE CURRENT EVENTS CLUB

The Current Events Club is under the supervision of Mr. Blouch. To each meeting the members bring clippings and reports on sports, foreign affairs, and national interests. Each person keeps a scrapbook of news items. The purpose is to keep up to date on what is happening now.

CLUBS

FANCYWORK CLUB

The Fancywork Club, supervised by Miss Dulebohn, consists of twenty-one girls from both Junior and Senior High Schools. The girls knit, crochet, embroider, and weave. They help one another with new stitches. This group encourages good use of leisure time and develops the ability to do fine needlework.

•

HOME ECONOMICS CLUB

The Home Economics Club, directed by Mrs. Rohrer, sponsors Red Cross Drive, Bundle Day, and Tuberculosis Drive. They planned the Fashion Show, the redecoration of the teachers' room, and attendance of their state convention. This organization is affiliated with the Home Economics Clubs of Pennsylvania.

THE GIRLS' GYM CLUB

The Girls' Gym Club, directed by Miss Hargleroad, gives the opportunity to develop and display the gymnastic ability and talent in outstanding girls. They use the horse, springboard, and parallel bars. These activities promote physical co-ordination and teamwork.

•

BOYS' GYM CLUB

The purpose of the Boys' Gym Club, under the direction of Coach Windish, is to develop the athletic talent in outstanding pupils. This group annually presents an exhibition of their achievements. Their activities consist of mat work, acrobatics, using the springboard, parallel bars, and the horse.

E. H. S. IN THE SPOTLIGHT

E. Marilyn Rohrer brought the greatest honor to Elizabethtown High School when she was the only girl chosen from the entire nation by Westinghouse to receive their $2400 science scholarship to the college of her choice.

Her teachers and fellow students proudly realize that Marilyn deserves this distinction and we all wish her continued success.

Our Junior High Basketball Team this year holds the honor of being the first team to be undefeated during a regular season in the history of basketball at Elizabethtown High School.

This outstanding accomplishment, for which Alton H. Eppler, their able coach, awarded them gold basketballs, was attained only through the splendid co-operation, enthusiasm, and loyalty of the boys on the team.

IT'S A NEW FREEDOM GAS KITCHEN

No, indeed! This picture is not a dream. It's real. It's one of our New Freedom GAS Kitchens, planned to free you from wasted energy, from fatigue, from dirt and heat. . . the kind of a freedom kitchen you'll want in your postwar dream home.

Beautiful . . . modern . . . cool . . . clean . . . care-free and trouble-free. These are the things you dreamed about—and GAS brings them to reality for you.

In your New Freedom GAS Kitchen, you'll have fast, automatic cooking with a modern gas range, literally blanketed with thick insulation . . . and, of course, a silent trouble-free gas refrigerator, and just oodles of hot water whenever you want it.

GAS has always led the way in Kitchen Freedom and Convenience . . . that's why nearly everyone in our community cooks with GAS. So, it's only natural that GAS will continue to be the preferred fuel for modern postwar kitchens.

Look to GAS to lead the Parade in Kitchen beauty . . . as it already leads the Parade in economy, cleanliness, speed and dependability, with modern Ranges, Refrigerators, Automatic Water Heaters, Home Heating and year 'round Air Conditioning.

WOMEN OF THE MOOSE

HAVE you enjoyed looking at the family album that your grandmother cherished? Sure you have.

In the years ahead of you, this school annual will probably be handled by future generations with the same kind of chuckles you gave out when you looked at the pictures of grandma as a girl.

Today Grandma's pictures are old fashioned. Yours are modern. In the years to come yours will be old fashioned too, for new techniques in the printing business will make them so.

Having printed Grandma's pictures in the past and yours today, we hope to print those of your children in the future as they graduate from the schools of Pennsylvania.
